

A special Local Need

Please help resupply the Pantry shelves with the following as indicated:

August - Canned tuna (7 oz.)

September - 1 lb. bags dry black beans

October - 24 oz. plastic bottles corn or vegetable oil

Thank you!!

Tools for School

Children need a fresh start for each upcoming school year. United Way Tools for School is designed to provide children from ALICE® (Asset Limited, Income Constrained, Employed) and poverty-level families in our region with new school supplies. Each year, more than 45,000 items are collected and distributed to more than 60 schools and community organizations serving children.

Children who receive supplies through this program have the tools they need to begin the school year ready to learn. For struggling parents, providing the necessary school supplies can be a financial hardship. United Way Tools for School helps to ensure children from low-income and ALICE families in our communities are prepared for academic success as they begin a new school year.
